This amendment is in response to the Commission's letter dated June 18, 2009. The receipts originally reported as coming from the Democratic National Committee have been corrected to show that they actually came from the Committee for Change. The payments for "Voter Registration Table" and "GA Statewide General election survey" were not on behalf of a specific federal candidate, but were generic committee activities. The payment for "printing/exempt GOTV literature" was for Martin for Senate. This has been corrected as part of the amended report. After ongoing communications with the vendors, it was determined that the outstanding debts were incorrect, and were not owed by the Committee. Therefore, the Committee has removed them to more accurately reflect, for the public record, the Committee's obligations. Payments for Payroll, Payroll Taxes, and Health Insurance on Schedule H4 are for employees who did not spend more than 25% of their time during the period on activity in connection with a federal election. The receipts on Line 17 are for voter file purchases. The prices paid for voter file purchases are established using comparable prices charged by other state party committees throughout the country on a per record cost. The exact price paid to the Committee by each entity is determined by multiplying the per record cost by the number of records provided in the file purchased.
